

the DS5 double roll tile

DS5 in Black Gloss

Our DS5 is probably the most economical clay tile on the market. The symmetric profile of this 'large' format double interlocking clay tile is designed so that it becomes inconspicuous within the completed roof. The variable gauge (440 - 540mm) allows for fast and economical installation on all types of roofs.

Like all of our Nelskamp collection these tiles are superbly engineered with excellent interlocking channels and are designed for an easier and faster installation. The DS5 requires only 6 tiles per square metre and each tile weighs just 6.6kg. The high quality of the clay guarantees a water absorption of less than 3%.

Available in 6 colours with a range of fittings and accessories the DS5 is an excellent choice for both residential and commercial projects.

- ▶ High quality clay tile
- ▶ Minimum roof pitch 10°
- ▶ Guaranteed durability
- ▶ Eco friendly
- ▶ Low maintenance
- ▶ Very economical
- ▶ Wide range of fittings
- ▶ Only 6 tiles per m²
- ▶ Variable gauge 440 - 540mm
- ▶ Fast, easy & secure installation
- ▶ Manufactured to comply with the requirements of BS EN 1304 Standard for Clay Roof Tiles

Whatever your needs, from traditional rustic pantiles to beautiful large format clay tiles and hand crafted glazed tiles we have a wide choice of roofing materials all proven to compliment any type of project.
